

# Connie Mack After Local Annateurs, Shanks Makes Remarkable Play

GEORGE FOSTER, RED SOX STAR,  
MAY OPPOSE DOC AYERS TODAY

Howard Shanks Makes Remarkable Play on  
Hooper—Jim Shaw Has Hard Luck.  
Gandil Playing Well.

BY J. ED GRILLO.

"Doc" Ayers is slated to pitch the third game of the series with the Boston Red Sox today. Ayers on several occasions last season was very effective against the Carigan team, and Manager Griffith thinks him the best of the Red Sox to face the visitors today. There is nothing definitely known about which of the Sox twirlers will be sent to the mound today, though it is likely Carigan will send Foster, his best performer, in against the Nationals, for he is decidedly the best of the Red Sox today. Wednesday Walter Johnson will face the Sox. He will have had three days' rest by that time and ought to be at his best.

Howard Shanks made a play yesterday which probably has never been duplicated in the history of baseball. The second inning Hooper made a base hit to left field. Hooper made the turn toward second after touching first, but before he could get to the base, Shanks had thrown the ball on a line to Gandil and Hooper was caught off. He was run down and retired.

This play plainly shows that Shanks is not a mechanical ball player. He is a thinker, and his face with the Nationals since he has been played regularly has been by far the best of any player on the team.

Jim Shaw had the worst luck imaginable.

Del Gainer appears to be in better  
physical condition this year than he  
ever was during his stay with the De-  
troit club. The former Tiger is playing  
splendid ball for the Sox, being able  
to cover both first base and the out-  
field. He was in right field in the sec-  
ond game because Hooper is not figured  
to be particularly successful against a  
left-handed pitcher.

Hooper, the Sox right fielder, has been  
in a batting slump all spring, but, of  
course, he had to get in the action in  
both feet in the first game yesterday.  
Hooper at the last rating of American  
League batters had the brilliant aver-  
age of .295, but yesterday he cut in  
with four safe hits out of five attempts,  
for an average of .800. Hooper always  
is a dangerous batter on the  
grounds, even though he falls down  
when away from here.

Hoblit got both one hit in the two  
games. The big first baseman is not  
hitting as well as usual, in fact he  
has never shown much in any of the  
games he has played here.

Eddie Riley, the general business man-  
ager of the Boston club, was the re-  
cipient yesterday of congratulations  
from local friends on a job well done,  
which took place in Boston last Sat-  
urday.

Secretary Heydler Gives Out List of  
New National League Dates.

NEW YORK, June 22.—A complete  
list of dates fixed by National League  
clubs for playing off games postponed  
or tied prior to June 20 was issued yes-  
terday by Secretary John A. Heydler  
of the League. One interesting item  
in the list is a double-header between  
the Giants and Dodgers at Ebbets  
Field stadium, July 3. The list:

Sale of Eddie Murphy  
to White Sox Denied

PHILADELPHIA, June 22.—  
There is no truth in the report  
that outfielder Eddie Murphy was  
sold to the Chicago White Sox.  
Connie Mack today said that no  
such deal was contemplated, and  
that he was far from being a  
member of the local team. Murphy is considered  
by Mack to be one of the best  
outfielders on the team.

By J. ED GRILLO.

The days of Charley Herzog at the head of the Cincinnati team are said to be numbered. Reports are to the effect that Jack Hendricks, at present the manager of the Indianapolis American Association team, will be Herzog's successor.

Hendricks has earned a reputation of being one of the best minor league managers in the country. He won several pennants for Denver a few years ago, and he is decidedly popular in Indianapolis, where he has been for the past two seasons. Base ball men the country over have agreed for some years that Hendricks has the making of a major league manager. He knows a ball player when he sees him and has displayed a lot of ability in the handling of his athletes.

Herzog's regime has been a failure. He has not been able to get the best efforts of his players because of his hot-headedness and quick temper, with the result that his team is in last place and stands but little chance to get out of that position.

Hendricks was in Cincinnati a few days ago and had a long conference with President Herrmann of that club.

That the National League clubs are going to take the initiative in dropping players holding long-term contracts with big figures who are not playing up to their standard is assured by a contemplated action which the Cincinnati club expects to take against two of its players within the next few days. The players in question have been notified that they must show that they are still as capable as formerly within the next few days or be released outright, regardless of their contracts.

Charging that the Athletics lack ambition, in G. V. Hart in the Philadelphia Evening Telegraph makes the following statement:

"With the exception of the championship race, completed it must be conceded by even the most rabid partisans of the Athletics that they are making no headway in the greatest race of the year. Success upon the diamond, and which was so pronounced in the team when it won its winning pennant, this is ambition. When we think of what the Athletics have done in the past, and compare their past and present with what we saw during the visit here of the Chicago Cubs, we are left with the impression that the Athletics of the good old days would have to drop into the low minors or quit the game."

St. Dominic will make its debut as a contender in the Catholic Church League on the field at 5th and Florida avenue northeast, where the Holy Name team will be the opponent. "Mike" Cantwell, well known among local amateur players, is in charge of the newcomers, which he has fair to take a prominent part in the race, still in its infancy.

Holy Name, with two victories to its credit in as many starts, is the present leader. St. Peter, which has won its only scheduled game, in second place. The league is playing a brand of ball that is more than satisfactory to the following of appreciable proportions.

Officers of the Catholic Church League have been chosen as follows: President, John D. Irving; treasurer, Joseph R. Monroe; and secretary, Archie E. Carr.

A base ball game between the Holy Name and Lincoln teams will be a feature of the annual outing of the Woodmen of the World to Chesapeake Beach today. Ray Riechert has deserted the forces of the clubmen to pitch for the Church team. The contest will start promptly at 4 o'clock.

Bureau of Plant Industry is offered an opportunity to break an existing deadlock for the summer position in the Department of Agriculture. At present, when it faces Roads. At present, Chemistry is leading the circuit, but the Bureau of Plant Industry and Animal Industry are tied for second, each with two wins.

The Plant Industry team was leading up to last week, when it dropped its game to the Bureau of Forestry. The Plant Industry team was leading up to last week, when it dropped its game to the Bureau of Forestry. The Plant Industry team was leading up to last week, when it dropped its game to the Bureau of Forestry.

Yesterday's game in the Government League was the first of the season. The game was played at the Government League grounds, and the result was a 6-2 victory for the Holy Name team over the Lincoln team.

Transportation put up a game uphill fight against Car Department of the Government League yesterday, but at the end of the allotted innings, was still one run short, score 4 to 1. The winners had one big inning, the second, when they scored seven of their eight runs. Roundoff, pitching for the Car Department, was touched up a lively clip, allowing a dozen safe drives. But at that, he succeeded in fanning eleven.

Gerald Warthen's pitching featured the game that Station won from General Office in seven innings by 4 to 1. Warthen allowed but two safeties and struck out six. Young sided with

St. Stephen's Juniors Ready.

A second base ball team has been organized among the juniors of the St. Stephen's Holy Name Society. The team would like to arrange games with any and all of the amateur teams of the city averaging fifteen years. Address all communications to A. A. Moore, manager, 2421 M street northwest. Francis Walsh is captain of the team.

New York Athletics Game Postponed.

PHILADELPHIA, June 22.—The New York Athletics game scheduled for today has been postponed on account of wet grounds. Two games will be played tomorrow.

Interior's winning streak in the Departmental League, that dated back over thirteen games, since the start of the championship series, has been broken. Agriculture, present occupant of the runner-up position, was responsible, winning decisively in a regularly scheduled game on the Ellipse yesterday, 8 to 3. Defeat was a blow to the leaders, who had visions of a season

of naught but victories. However, it was overcome by others in that it is bound to increase interest in the race. It really looked for a while as if Interior would win in a walk.

Interior did all its scoring in the ninth inning, when it scored three runs. "Red" McCarthy, captain-elect of the Georgetown University nine, pitched a masterpiece, allowing an average of a hit per inning. McCarthy was yanked when his team had a 3-0 lead, and was replaced by a pitcher who had never pitched before.

"Red" Cusack, another Georgetown University player, made his debut in the far corner for the Aggies and gave a creditable account of himself. He connected safely once and accepted seven difficult chances.

Shortstop Lemerle contributed some sensational base running in the fourth, when he stole third and home.

Ban Johnson Seeks to Aid  
American Association Club

TOLEDO, Ohio, June 22.—President Ban Johnson of the American League will purchase \$25,000 worth of stock in an American Association club for Toledo if local business men will raise the remainder of the amount necessary to obtain the Cleveland team. Johnson made this offer while attending a banquet tendered him and President Turner of the National League here last night.

Drillery and Government Hospital are scheduled to play in the Potomac League today, which is the last game of the season. The winners are scheduled to play five games against four for their opponents. Cantwell and Riechert, who were scheduled to play in the Potomac League, were scheduled to play in the Potomac League.

Three leagues were scheduled to play in the Catholic Church and War Department Interurban circuits. The Catholic Church League was scheduled to play in the Catholic Church and War Department Interurban circuits.

Announcement was made by officials of the War Department League yesterday that arrangements have been made for a double-header between the Staff team and the Naval Academy Plebes, to be played at Annapolis early in July.

Interest in the circuit has increased materially since the announcement in view of the heat competition. The Catholic Church League was scheduled to play in the Catholic Church and War Department Interurban circuits.

Walter Beall, a fifteen-year-old youngster, pitched another creditable game for the Catholic Church League yesterday, allowing but six scattered hits and striking out ten. Dixon, the opposing twirler, was scheduled to play in the Catholic Church and War Department Interurban circuits.

Walter Cox, twirler on the championship Central High team, took up pitching duties for Central Presbyterian in the Northwest Sunday School League yesterday. Cox worked against Brightwood for the third time, frames without allowing a hit or a pass. However, Brightwood had previously scored six runs at the expense of Yerkes and Central lost, 6 to 3.

Bureau and Commerce, both with clean slates for the second series in the Government League, are scheduled to play today.

"PATER-FILIUS" GOLFERS  
IN ANNUAL TOURNEY

Fathers and Young Sons Play  
Against Sons and Elderly  
Fathers in Foursomes.

SCARBOROUGH, N. Y., June 22.—The Metropolitan Golf Association's first pater et filius tournament was held yesterday at the Sleepy Hollow Country Club, and it was not necessary to wait for the formal vote of the competitors for the formal vote of the clubhouse last evening to know that henceforth it will be an annual event. No new form of golfing competition introduced about New York ever was attended by such success as yesterday's tourney, and the only criticism heard was that it ought to have been begun long ago, for Chicago and Philadelphia have been holding such competitions for years, and up to the present metropolitan golfers have been getting along without them simply because they have not known what they were missing. So when the question, "Shall this tourney be made an annual event in the future?" was put at the dinner last evening the affirmative response was unanimous.

Sixty-five fathers, with their sons as partners, played in foursomes around the Sleepy Hollow links yesterday for the three pairs of medals for the first, second and third net scores. By the second round H. A. Thompson beat E. B. Ware, 6-2, 6-2; O. F. Watson, Jr., beat D. Cooper, 7-5, 6-3; E. F. Larned, beat C. M. Bull, Jr., 6-4, 6-3.

Play began at 10 o'clock in the morning and so big was the field that the first pair did not finish until shortly before 8 o'clock in the evening.
